

The World

© 2008 Fairfax County Public Schools

Put the number of the continent or ocean in the correct place on the map. Then put a triangle on the continent where you would find the United States.

1 = North America

5 = Antarctica

9 = Indian Ocean

2 = Africa

6 = South America

10 = Southern Ocean

3 = Australia

7 = Asia

11 = Atlantic Ocean

4 = Europe

8 = Pacific Ocean

12 = Arctic Ocean
